Signed liability and indemnification form and/or proof of copyright ownership or valid licencing must be received by MMS prior to manufacturing. Failure to comply with anti-piracy and Intellectual Property Rights (IPR) policies by providing proper documentation may result in delay or cancellation of manufacturing at the discretion of MMS. Payment terms are 60% payment in advance; balance due prior to delivery unless specific arrangements have been made otherwise. Art and film is an estimate only, and may change due to client's changes. All product FOB our plant; freight extra. Client assumes liability for finished product unless color proofs and audio proofs are approved prior to manufacturing. Prices quoted based on initial information and are subject to change after 30 days.

All quotations for art and design are estimates only. All quantities are subject to a 10% over or under run. Prices may vary based on the quality and suitability of materials received and customer software utilized. MMS utilizes all generally accepted professional design software. Please confirm with customer service representative regarding acceptability of any supplied software applications. File check and film output prices are based on artwork prepared and supplied to professional standards including correct sizing, printer spread layout, and provision of a suitable proof and inclusion of all files including applicable fonts and proper file identification. Additional costs may be incurred to bring supplied files to professional standards.
